

NCI TRADE CREDIT RISK INDEX

“OUR HIGHEST RISK INDEX SCORE EVER”

Q1 INDEX SCORE 15,169

SPECIAL EDITION

2016 has kicked off with some large insolvency activity, reflected in the highest NCI Trade Credit Risk Score of all time. Highlighting the fact debtor payments and defaults, credit insurance claims and adverse reports have dramatically increased in the first quarter of 2016. Building, Steel, Retail and Education recorded large “impact” insolvencies. Given the level of overdue reporting, a further runoff of insolvencies is predicted.
