

Top-Up Cover by NCI

At NCI, we aim to ensure we can meet clients' needs at every stage of the credit management process. That's why we've partnered with Equinox Global to offer our unique Top-Up Cover.

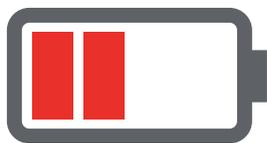

Get covered to the level you need, with NCI Top-Up Cover

When we have exhausted all avenues to achieve your full limit requirements via your primary insurer. NCI now have a solution, giving you the ability to trade insured at the full level required, increasing your sales and keeping your customers happy.

How to apply?

If you have any partially approved limits, speak to your NCI contact about closing the gaps on the limit coverage you need. Alternatively, email topup@nci.com.au and we will start the process for you.

How does it work?

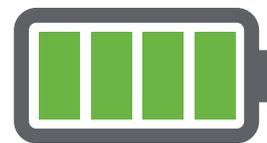

Step 1:
NCI assesses your existing limits and identifies limit shortfalls.

+

Step 2:
NCI works to secure the various required limit levels on your behalf.

=

Step 3:
Once secured, you are provided with a confirmation of limit gaps and quote to bind cover.

Why use Top-Up Cover?

1 Sell more and be covered

Top-Up cover can assist with increasing insured sales

2 NCI will facilitate the process for you

As your broker we're here to help you through the process, offering an easy solution for your business

3 Simply add Top-Up to your primary insurance limit

If you have insurance limits that aren't meeting your trading needs, adding Top-Up is easy

4 Primary limit conditions are replicated

Any special conditions that exist on your primary limits are replicated on your Top-Up policy

5 Cover is supplied by an AA- insurer, Equinox Global

Top-Up is underwritten by Equinox Global Limited.

Who is Equinox? Equinox is a specialist trade credit insurer that offers its clients improved certainty of cover, increased transparency and the maximum cover possible. View more details on their website: www.equinox-global.co/
